

New or Used Soccer Cleats Needed

The Greensboro Elks Lodge has partnered with the Youth Soccer Program at the Newcomer's School in Greensboro to collect used soccer cleats for their players.

The Doris Henderson Newcomer's School, which is a Guilford County public school located on Friendway Ave. serves recently arrived immigrant and refugee children in grades 3-12 who are novice English speakers. Students are taught English and American culture before they transition to their district school.

The program is seeking donated/used soccer cleats, ranging from size 7 to 13 that will be used during their upcoming spring soccer season.

A collection box will be placed in the upstairs lobby from Monday, February 20th to Sunday, March 19th for donations.
